

How to Sign Up for SAGE Email Alerts

1 Visit the journal webpage to sign up for alerts: journals.sagepub.com/home/eeg

2 Scroll down the page to the **Connect with us** box and select the **Sign Up** button.

3 A pop-up will appear titled **Add Email Alerts**. Check the boxes for **New Content** and/or **Announcements** and then select **Add Alerts**.

4 For remaining steps, please follow the below section that best describes your account status.

If you already have an account:

- 1** Sign in.
- 2** Once you sign in, you will be directed to the **My Alerts** section of your account.
- 3** You should see the journal title listed for the new content and announcements alerts you signed up for.

If you do not have an account:

- 1** Register for a SAGE Journals account. If you are a society member, select the activate your account option.
- 2** Once you sign up, you will be directed to the **My Alerts** section of your account.
- 3** You should see the journal title listed for the new content and announcements alerts you signed up for.
